Black Against Empire The
History Black against Empire is the
first comprehensive overview and
analysis of the history and politics
of the Black Panther Party. The
authors analyze key political
questions, such as why so many
young black people across the
country risked their lives for the
revolution, why the Party grew most
rapidly during the height of
repression, and why allies
abandoned the Party at its peak of
influence. Black against Empire:
The History and Politics of the
... Black Against Empire is the first
comprehensive history of the
political development of the short-
lived yet hyperinfluential Black
Panthers has been released. The

authors managed the incredible feat of cutting a path through the complex jungle of the Panthers' development, concentrating on the politics, the causes for their rise and decline. Black Against Empire: The History and Politics of the ... "Black against Empire is easily the most impressive, sweeping, and substantive scholarly history of the BPP. . . . Black against Empire is a masterful work. It is analytically sophisticated, superbly researched, and a fine addition to the disparate histories of the most audacious and significant black leftist group of the period."
