You can search Google Books for
any book or topic. In this case, let's
go with "Alice in Wonderland" since
it's a well-known book, and there's
probably a free eBook or two for
this title. The original work is in the
public domain, so most of the
variations are just with formatting
and the number of illustrations
included in the work. However, you

might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
