Comments. It occurs to me that we are living in a golden age of language books. It took a while for me to realize this, because plenty of dumb and silly language books get published each year, just as they always have. But now, more and more, there are good books

INVENTED ... These made telephony an available and comfortable communication tool for many purposes, and it gave the impetus for the creation of a new industrial sector. The telephone exchange was an idea of the Hungarian engineer Tivadar Puskás (1844–1893) in 1876, while he was working for Thomas Edison on a telegraph exchange. History of the telephone - Wikipedia The history of English land law can be traced for eons, into Roman times, and through the Early Middle Ages under post-Roman chieftains and Saxon monarchs where, as for most of human history, land was the dominant source of personal wealth.
