Physical Science Semester 1
Course Course Outline SEMESTER
ONE Unit 1: Matter and Energy. In
this unit, students learn about the
depth of physical science, the
relationship between matter and
energy, and scientific methods.
Students use scientific methods in a
laboratory setting and demonstrate
their results through
graphing. SCI102: Physical Science
(Core) Physical Science - Semester
1. Science is the study of the
natural world. It relies on
experimentation and evidence to
describe the natural events that
occur around us. Physical science is
the study of matter and energy. In
Physical Science A, you'll describe
the atomic and molecular structure
