the... The Tyranny of the Night: Book One of the ... To my surprise, Tyranny of the Night is probably the most accomplished book in Cook's very long history. The world he creates is rich in culture and history, taking cues from real life history and making it his own. The mythology of the Instrumentalities - the faeries and gods-at-large of the world - are at once vague and immediately menacing. Amazon.com: Customer reviews: The Tyranny of the Night ...
